

PEUGEOT 404

Station Wagon

It's nice to know what you're getting into.

The 404: performance that conquers the worst cross country conditions. Beauty and comfort such as found only in luxury vehicles. Very important features include rack and pinion steering, very large drum brakes, thermo-static controlled fan, aluminum head, hemi combustion chambers, wet sleeve cylinder liners, 5 main bearings for smoother running. Plus special rear end suspension, extra thick body steel, stainless steel trim, bucket seats, ample leg room, mahogany style decking with aluminum ribs topped with rubber (no slip), and a spare you can get at without unloading!
